BROTHER'S STORY

Arkansas Legacy

Brother Alexander is a native Arkansan. He lived in southeast Arkansas during his formative years, graduating from Desoto High School in West Helena in 1981. Afterwards, Brother accepted a scholarship to play football for the Arkansas Razorbacks from Coach Lou Holtz.

Moving to Fayetteville introduced Brother to the northwest corner of the state. After four years of dedication, Brother played for Coach Ken Hatfield in his senior season. He concluded his career playing in the Razorbacks' victory over Arizona State in the 1985 Holiday Bowl.

Insurance Background

After graduating in 1986, Brother chose to stay in Arkansas. He went to work for State Farm in Fort Smith. Brother was dedicated to State Farm for over 12 years, the majority of his duties focused on assisting with roofing claims across the River Valley. He went on to dedicate another 13 years with Farm Bureau. After a cumulative 25 years of insurance adjusting, Brother went into roofing sales in the River Valley. Finally, after mastering the trade, in 2019 he took a risk and he dedicated himself to forming his own roofing company, Brother's Roofing and Restoration.

Roofing Expertise

In 2022, Brother added additional sales professionals to extend his geographic reach into Northwest Arkansas. His team, Danny Peters and Rhyne Goble both have great knowledge of what is necessary to fit your home with a quality roof. Brother's Roofing has multiple installation crews that are experienced, including a crew leader with over 20 years of personal experience.

Brother's Roofing provides quality services from a reputable and local team. Brother's 25 years of insurance experience guarantees he will get the most out of your current policies.
